

ORDINANCE _____

Relating to land use and zoning, amending Plat 14E, page 60, Plat 15W, page 61, Plat 23E, page 78, and Plat 24W, page 79, of the Official Land Use Map, Seattle Municipal Code (SMC) Chapter 23.32, to rezone properties near the proposed NE 45th Street light rail station (one property is located at the northwest corner NE 43rd Street and 15th Avenue NE, and one property is located at the southeast corner of NE 43rd Street and Brooklyn Avenue NE) and to designate boundaries for the Station Area Overlay District near the proposed 45th Street light rail station; amending SMC Section 23.47.040 to designate principal pedestrian streets; and amending SMC Section 23.70.004 to delete Exhibit 1J.

WHEREAS, RCW 81.104 directs municipalities to regulate land uses in a manner that supports high capacity transportation systems; and

WHEREAS, in November 1996, the voters of the three-county Sound Transit district approved Sound Move, the ten-year regional transit system plan, which includes a 23-mile new electric light rail line connecting SeaTac, Tukwila, and Seattle; and

WHEREAS, Sound Transit is proceeding to implement the Sound Move plan, including the light rail component; and

WHEREAS, in April 1998, the City of Seattle and Sound Transit executed a Memorandum of Agreement for Intergovernmental Cooperation for the Central Link Light Rail Transit Project (hereinafter, the MOA), as authorized by Ordinance 118927; and

WHEREAS, under the terms of the MOA, the City has been conducting station area planning and related public involvement activities for light rail station areas in Seattle; and

WHEREAS, the City Council adopted Resolution 29867 in December 1998, establishing goals and strategies to promote transit-oriented development in light rail station areas; and

WHEREAS, the City has given guidance to Sound Transit as to preferred light rail routes and station locations, and desired patterns for development around light rail stations, in previous legislation, including Resolution 29904 adopted on February 22, 1999; and

WHEREAS, on February 25, 1999, the Sound Transit Board of Directors identified the Locally Preferred Alternative (LPA) light rail alignment and station locations; and

WHEREAS, on November 18, 1999, the Sound Transit Board selected and authorized the implementation of the Locally Preferred Alternative alignment for the Central Link Light Rail Project and station locations; and

1 WHEREAS, On April 10, 2000, the City Council adopted Resolution 30128, approving the
2 light rail alignment, station locations, and maintenance base location for the Central
3 Link Light Rail Project in the City of Seattle; and
4

5 WHEREAS, the City Council adopted Resolution 30165 in September 2000, approving
6 concept-level station area planning recommendations for the areas around the light rail
7 stations; and
8

9 WHEREAS, the Station Area Interim Overlay District was established in March 1999 by
10 Ordinance 119394, which expires on September 1, 2001, around proposed Sound
11 Transit Link light rail stations for the purpose of preserving opportunities for transit and
12 pedestrian- oriented development in accordance with Council approved goals and
13 objectives; and
14

15 WHEREAS, the City Council established a new Chapter 23.61, Station Area Overlay
16 District (C.B. 113740), to the Seattle Municipal Code, establishing permanent
17 regulations to prohibit uses incompatible with transit-oriented development and revising
18 development standards within approximately one-quarter mile of proposed Sound
19 Transit light rail stations; and
20

21 WHEREAS, the City Council adopted Resolutions 29942, 29830, 29979, 29976, 29995,
22 29869, 29903 and 29808 in 1998 through 1999, approving neighborhood plans
23 applicable to each of the station areas affected by this ordinance; and
24

25 WHEREAS, the City Council finds that this ordinance should be adopted for the reasons
26 contained in the Executive Analysis and Recommendation; and
27

28 WHEREAS, the City Council finds that these proposed amendments will implement the
29 policies contained in RCW 81.104 and be consistent with the resolutions identified
30 above, and will promote the health, safety and welfare of the general public;
31
